

1968-69
YEARBOOK

Swimming

Cleveland State's swimming team finished the season with five victories, eight defeats and an unusual tie. Coached by Bob Busbey, the tankers showed talent in several areas. John Butler shattered many of the freestyle records previously held by the coach. Only a sophomore, Butler's future is still ahead of him. Eric Russu, Chuck Kunsman, Don Remle and Mike DeShetler also figure prominently in the Vikings' future. Other point makers for the Vikings were divers Jon Martin and Jerry Lechowick. None of these swimmers was a junior or senior, so the tankers figure to improve next season because of the year's experience each one gained.
